### How can we make CSSSC work for you?

In May, CSSSC will focus on the services we provide and ask for your feedback on what we do. The CSSSC membership survey will provide controlled school leaders with an opportunity to let us know how CSSSC can work for them. Schools will receive the survey directly from their Schools' Support Officer.

### 2022 Royal Institution Science in Schools grant scheme

Applications open on 3 May for a free full-day school visit from one of the Royal Institution's professional presenters. To find out more about this fully funded Science in Schools package worth £800 [click here](#).

## SHARING IN ACTION
